Chapter 1

If you've ever owned a hamster you will most likely find this story hilarious and sad.

The cute little pets have an incredible capacity to store lots of food (and other things) in their mouths.

They also have a burst of energy (when they're not snoozing that is) and when they aren't sprinting around their cage, they are usually putting in the miles on their wheels.

However, when one little girl saw that her furry little friend hadn't moved for a few days she got very concerned.

It had been moving around fine just a few days before so what had happened?

Naturally, she took the hamster to the vet and what they discovered is amazing!

The girl didn't like this, so the girl threw the hamster away and bought another one.

The hamster tried to get back in, but the hamster couldn't get in because the girl locked the door and the windows couldn't open. So, he wandered across the streets looking for a owner or family. But to his surprise, he didn't! and continued wandering. he wandered for days and days! And weeks! And months! He looked so old!

The hamster wandered so much, that he went to a meadow. He

CHAPTER 1

saw a farm and slept. When he woke up, he saw a cage and he also saw food and water around him! He also found a farmer with a daughter and 20 animals in his farm. They all welcomed the hamster and helped him. He stayed there for a couple of days, and looked like an adult again!

And when the farmers helped him, the hamster helped the farmers! They were a great family! Until one day...

Chapter 2

The farmers came up for a name for that hamster and named it “Holly”.

But then mean people moved in and acted nice to the farmers. The farmers told them to take care of the farm but the mean people thought to make it the other way around! The farmers went away and the mean people kicked out all the animals and destroyed the farm building to make a house for themselves!

Holly didn't agree with that, so she went on a journey to find the farmers.

Squeak, squeak!

The hamster came into dangerous places and had to fight dangerous animals.

HOLLY THE HAMSTER

But the hamster ran away as quick as a cheetah, and continued his journey.

He found the farmers and squeaked so loud that a mole could hear him.

The farmers followed the hamster back to the farm.

Chapter 3

The hamster ran to the farm, but when the farmers headed home, they thought the animals were playing hide and seek and the mean people built a new farm. But the mean people built their dream house and got rid of the animals! They used “<https://www.dreamstime.com/new-built-house-green-meadow-under-blue-sky-image149474381>” to build their house.

HOLLY THE HAMSTER

So, Holly wandered around to look for a new farm and the same thing before the farmers happened again.

Chapter 4

The hamster went into another city called “BC Vancouver Canada British Columbia” and found a lovely new owner that took care of Holly. The family guessed the hamster’s name and it’s name was still “Holly”.

Once Holly was in his run around ball and the cat was in the room so the owners had to keep a close watch on him. When Holly would run, the cat would follow the ball and when he stopped, the cat would sit and wait for him to run around again. It was very funny- like Holly was teasing the cat!

HOLLY THE HAMSTER

Holly has escaped a few times and every time Holly seemed like she got homesick! so the owners left the cage open and every time Holly was in the cage, she fell fast asleep!

CHAPTER 4

The End.
